KS ENERGY'S LAND RIGS CONTINUE TO SECURE WORK

KS Energy Services Limited (“KS Energy” or the “Group”) is pleased to announce that its land rigs continue to secure work, as follows:-

KS Discoverer 1 receives one year contract renewal

Referring to its announcement on 21 December 2007 on the 1500HP land rig – KS Discoverer 1, the contract for this rig, which has been transferred to Gulf Keystone Petroleum International Ltd, has been extended for another year, to 15 August 2011, on the same terms that were previously announced.

The value of this extension is approximately US\$12.0 million.

KS Discoverer 4 secures contract

KS Energy's 2000HP land rig – KS Discoverer 4 has been awarded a contract from Storm Energy for a single well drilling program and the rig has commenced drilling operations.

Adding to KS Energy's drilling experience and track record in Tunisia this approximately US\$3.0 million contract from Storm Energy is the third successive drilling contract for KS Energy in the country, and the second for the KS Discoverer 4. This new contract is for a period of about 3 months.
